

Aberdeen City Council has approved the preparation of a bid to the Heritage Lottery Fund for the restoration and improvement of Duthie Park.

Parks for People is the latest programme from the Heritage Lottery Fund. Through their range of funding, they have shown how high quality local environments can make a real difference to people's lives and how important it is for communities to feel pride in their local area.

As part of the Heritage Lottery Fund submission a full public consultation exercise will take place comprising:

- Exhibitions
- Presentations to local groups
- Public meetings
- Consultation questionnaires

Conclusions from the consultation exercise will form an integral part of the final submission. For further information or assistance please contact Neighbourhood Services South 01224 523628 or gohull@aberdeencity.gov.uk
